

**CITY OF PLACENTIA  
MEMBER OF THE CITY COUNCIL**

**JOHN G. HOEVERS**

**OCCUPATION:** Manager, Business Owner

Since moving to Placentia in 1987, I have seen this city grow and change through the years. Today, the city is facing issues which give me great concern. Issues regarding the city's budget, police protection, redevelopment, train whistles, track lowering, spending and city services that require attention and decisive action. The need for leadership on these issues convinced me to become involved with city government and enter this election.

As a manager and a small business owner, I believe I have the experience to deal with the issues the city faces and bring in new ideas that will lead the city into the future. As a resident of this fine city, I have experienced first hand some of the lack of understanding by city leaders of residents' concerns and issues. As a councilmember, I pledge to keep the interests of the citizens of this city first and foremost. I ask for your vote to help keep Placentia strong, protected so this city can continue to be a pleasant place to live.
